To:

Ibu Dr. Intan Mardiana N
Director Museum National Indonesia

at Jakarta

Dear Madam,

I would like to propose an art exhibition of sculpture and jewelry at the space of Museum National Indonesia. The title of the exhibition is "Cosmic Energy", is a combination of works of western and eastern cultures. I am the director of Oracle Gallery and also the artist (sculptor). I am Greek origin and resident in Indonesia for 20 years. My last exhibition in Jakarta was at the Gallery National Indonesia in 2005. Also I am member of API (Asosiasi Pematung Indonesia).

Will be my pleasure this time to exhibit my new works at the beautiful space of the museum, the time frame I propose is 15th July to 30th July 2015.

I need to know about the fee for renting the space and what the museum provide for this event.

We can discuss further more after my proposal is accepted.

I hope we can work together to make this event successful and memorable for many people.

Ubud, Bali 10th March 2015

Best regards
