Dear Exchange Partner:

We have been sending you our journals “東洋文化研究所紀要” and “東洋文化” as part of the exchange program between our institutions.

However “東洋文化研究所紀要” has been made in digital format at the UTokyo repository (<http://repository.dl.itc.u-tokyo.ac.jp/>). “東洋文化” will be also made digital format from No. 95.

For this reason, we are planning to stop sending the physical copies to our partners. We hope it will not cause any inconvenience.

If you hope to continue to receive the physical copies, please fill the questionnaire and send it back by e-mail, fax or mail by February 28, 2015.

Thank you for your cooperation.

Yours faithfully,
