Pesan : Dear Sir or Madam,

The Royal Museum of Mariemont (Belgium) will organize in July 2015 an exhibition on the Cirebon - a 10th century shipwreck discovered in the sea of Java. This occasion could provide a wonderful opportunity for international cooperation.

Would the authorities of the Museum be interested and available to discuss this possibility with me in the coming days/weeks (before 12 March) in Jakarta?

Please kindly acknowledge receipt.

Terimakasih
