I was looking for some Asian group for children and heard about your center from the website. Let me tell you a little bit about us. The ACC, just like its name, is focused on Asian culture exchange, and as you can guess, the CC is specialized in performance, education, exhibition, cultural collaboration, and others for children. Our various programs will be running after the opening, and now we're looking for our Asian and global partners. For this purpose, I'm planning to visit Indonesia at 4pm, 3rd of Feb. and wondering if you could make some time to meet me. Please feel free to talk about this anytime and I'll wait for your reply.(timecosmoskorea@gmail.com)

Thank you.
